## Personal Insurance

Rogers & Gray can help safeguard your material assets and your family's quality of life with customized insurance products designed for your unique situation. We've been providing risk management solutions for our neighbors like you for more than 100 years, so you can turn to us with confidence for expert direction and professional support for your life, home, automobile and property.

## Commercial Insurance

Rogers & Gray provides risk management solutions for a broad range of business clients. We know how to safeguard your business and its resources from loss and potential liabilities, and we take the time to understand your particular circumstances.

Rogers & Gray will tailor a policy that provides you with the broadest coverage at the most reasonable rates, and which fits your business needs and your industry's unique risk exposure.

## Employee Benefits

To attract and retain good employees, a growing company must offer a desirable package of benefits.

Rogers & Gray's Employee Benefits Division helps employers design, implement, and communicate group benefits programs of all types including employer-paid and voluntary employee-paid benefits. We provide a team of employee benefit professionals available to attend employee enrollment and informational meetings, and to act as your intermediary with benefit providers to assure proper coverage and resolve all issues.

## Financial Services

Those people living comfortably in their later years usually share this in common - they planned for their financial health. Setting your investment and savings goals and strategies with the assistance of Rogers & Gray's Financial Planners can be an enlightening and valuable exercise.

Evaluation of your financial health will include Assessment, Strategy Development, Plan Implementation, and Status Reports.

Securities and Investment Advisory Services offered through Capital Analysts Incorporated: Member FINRA/SIPC. R&G and CAI are independent non-affiliated entities.

## About Rogers & Gray

Since 1906, Rogers & Gray has grown steadily to the point where today, in terms of volume, we are one of the top 10 independently-owned insurance agencies in Massachusetts and are approaching the status of being one of the top 100 in the United States. This is due to a company-wide goal of providing outstanding service and programs to our 20,000+ clients in Southeastern Massachusetts.

With a staff of more than 90 professionals, Rogers & Gray represents dozens of insurance companies on a direct relationship basis and has access to many others through brokerage arrangements.

### Group & Worksite Marketing

Rogers & Gray is a pioneer in developing and implementing insurance programs for employer-based and affinity groups. For over 20 years we have partnered closely with groups to provide these organizations with comprehensive and customized voluntary benefits packages including our popular specialty payroll deduction program for automobile and homeowners insurance.

From the design of the group insurance program, to the education and enrollment of participants, Rogers & Gray is there to offer expert knowledge and professional, personal service.

### Private Client Group

Rogers & Gray's Private Client Group is there for those whose level of financial success requires special care. An executive level account executive works to secure the client's legacy and prosperity by tailoring policies that provide an insurance approach fitting their special circumstances. The Private Client Group carefully evaluates risk perspective, weighs overall wealth platform, and delivers sound strategies.

### Marine Insurance

Marine insurance is a highly specialized product. Too often owners of pleasure boats, commercial vessels, marinas, etc. opt for generic insurance protection. For over 100 years, Rogers & Gray has been uniquely qualified to design coverage to protect against each client's unique liabilities.

We represent over a dozen of the most respected marine insurance companies assuring our clients the best options and sound coverage.

## Rogers & Gray Foundation

The Rogers & Gray Charitable Foundation was established in celebration of Rogers & Gray Insurance Agency's 100th anniversary in 2006. Rogers & Gray made a substantial initial contribution to fund the Foundation as its way of thanking its customers and the community for its success over the past 100 years. The Foundation is administered through the Community Foundation of Cape Cod.

The Rogers & Gray Charitable Foundation will be making grants and will seek matching contributions from the insurance companies the Agency represents for worthy causes in the communities that the Agency serves.
