**Because you don't think about repairs until you need them...**

**At SMH Electronics, we specialize in Electronics and Electronic Repair. We fix the hardware that most other companies cannot or will not. In fact, many other "repair" companies rely on SMH Electronics for component level repairs of Computers, Printers, Monitors, Projectors and many other types of electronic hardware. We also sell new and refurbished workstation computers and servers from well known brands such as Acer, Hewlett Packard (HP), Lenovo and our own Proteon brand of custom-built computers. In addition, we provide network services including assessment, maintenance and repairs. We are your ONE-STOP shop for all of your electronic services.**

**Our technicians will fix it right the first time...**

**Our technicians provide top quality repairs on servers, computers, laptops, printers, plotters, scanners, palm pilots, monitors, keyboards and many other high tech devices. We have the ability to perform troubleshooting and diagnostic services on specialty circuit boards and drives as well. Data recovery is also one of our services as well as setting up data storage solutions. SMH's factory-certified technicians utilize "State of the Art" test and repair equipment and have been providing repair services for over twenty years.**

**SMH OFFERS A COMPLETE  
LINE OF PROTEON  
CUSTOM-CONFIGURED  
COMPUTERS**

**We are factory authorized...**

**We have partnered with the major Manufacturers in the Industry as a value-added-reseller (VAR), and Authorized Service Center. As a Value Added Reseller, SMH can provide competitive pricing on new hardware and peripherals, as well as refurbished units to meet the demands of the budget restrictions of today. Because we are a factory-authorized repair facility, SMH has**

**the benefit of more economical parts pricing and greater parts availability, saving you time and money.**

**We work with leading manufacturers such as: HP, Epson, Okidata, Lexmark, Brother, Canon and Tektronix. We continue to expand our list of manufacturer's daily.**
