Remember how much you loved to play with kaleidoscopes as a child? Well, you still can! We carry scopes in all types of materials and price ranges, from toys to limited-edition works of "interactive art." Come and Play!

*Jon & Suzanne Greene*

**HANDCRAFTED:** Made of metal, wood and glass by 25+ professional kaleidoscope artists in the country. They're "interactive art" in a price range to fit any budget!

## FOR CHILDREN OF ALL AGES:
